

# Bleeding Wounds

Changes comes so unexpected  
Changes never reflected  
Changes comes so unexpected  
Changes never reflected

Everything seems to turn

**My mind and soul begin to deal  
bleeding wounds would never heal  
Bleeding wounds**

Love comes so invincible  
Love comes so invincible  
Love comes so invincible  
Love comes so invincible

Unforgotten fear and panic, unforgotten fear

**My mind and soul begin to deal  
bleeding wounds would never heal**

My mind and soul begin to deal – bleeding wounds would never heal  
My mind and soul begin to deal – bleeding wounds would NEVER

**My mind and soul begin to deal  
bleeding wounds would never heal  
Bleeding wounds**

Blee-ding, blee-ding, blee-ding, bleed
