

End of the End

Motionless, emotionless you're starring on the ground
Motionless, emotionless you're walking round and round

You breathe me in
so greedy so silent
You spit me out
so fast so violent

**Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, the end of?**

You breathe me in
so greedy so silent
You spit me out
so fast so violent

You glaze me well
So gentle so real
You absorb me well
So greedy so heal

**Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, the end of?**

La la la la la....

**Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, the end of?
Is this the end of, the end of, the end
Is this the end of, the end of, the end
Is this the end of, is this the end of,**
